

CITY OF TAYLOR
ANIMAL CONTROL DIVISION
500 S. Main Street * Taylor, Texas 76574

2019 PET REGISTRATION APPLICATION

Hundreds of lost pets find their way into the City of Taylor Animal Shelter each year without any form of identification. Unfortunately, without identification we are unable to reunite them with their families. Purchasing a dog/cat license will ensure your special companion can be returned home quickly and safely.

All dogs/cats over the age of four months are required by law to be registered with the City of Taylor (annual requirement based on calendar year - Jan through Dec) and vaccinated against rabies. Please check your rabies certificate for the expiration date as there are two vaccinations available; a one year vaccination and a three year vaccination. Please be sure to submit only non-expired rabies certificates.

TO OBTAIN YOUR REGISTRATION

To obtain your license you have the following options:

IF YOUR PET HAS A CURRENT VACCINATION:

Mail this form, a copy of the current rabies certificate, and the appropriate fee to the address listed above. If your pet has been spayed/neutered please include proof of sterilization. A City Registration tag will be mailed to you. The registration fee for a spayed/neutered animal is \$5.00 and a non-spayed/neutered animal is \$15.00.

IF YOUR PET REQUIRES VACCINATION:

Visit one of our veterinarian partners to vaccinate/register your pet. If your pet has been spayed or neutered please take proof of sterilization. The veterinarian will then forward a copy of the rabies certificate, the registration fee and the City registration information to us.

Graef Veterinary Hospital
4110 N. Main - Taylor, Texas
