

## Pyrotechnic Display Permit Application

1. Name of the person, group, or organization conducting the production.

---

2. Date and time of day of the production.

---

3. Exact location of the production.

---

4. Name of the person in charge of firing the pyrotechnics (i.e., the pyrotechnic operator).

---

5. Names of all assistants who are to be present.

---

6. Copy of any applicable state and federal licenses held by the operator and assistant(s).

7. Evidence of the permittee's insurance carrier or financial responsibility.

8. Number and types of pyrotechnic devices and materials to be used.

---

---

---

---

---

---

---

---

---

---

9. Explain the operator's experience with those devices and effects and a definition of the general responsibilities of assistants.

---

---

---

---

---

10. Site plan or diagram of the grounds or facilities where the production is to be held that shows the point at which the pyrotechnic devices are to be fired, the fallout radius for each pyrotechnic device used in the performance, and the lines behind which the audience is to be restrained.

11. Manner and place of storage of the pyrotechnic materials and devices.

---

---

---

12. Safety data sheet (SDS) for the pyrotechnic material(s) to be used.

13. If required, a certification that the set, scenery, and rigging materials are inherently flame-retardant or have been treated to achieve flame-retardancy.

14. If required, a certification that all materials worn by performers in the fallout area during use of pyrotechnic effects shall be inherently flame-retardant or have been treated to achieve flame-retardancy.

15. If required, in the case of a hybrid flame effect, identification of those portions of the flame effect that require compliance with NFPA 160 and those portions that require compliance with NFPA 1126.

Please submit this application and all support documentation to the City of Taylor Fire Department's Fire Marshal.
